Dear Bishop Johnson:

I was at the board meeting of the Board of Supervisors yesterday when they took up the subject of medical care for illegal aliens. I just want to tell you that I was really thrilled when Father Ramos got up to the microphone to tell the supervisors that he was coming as a representative of the Catholic Church in Orange County and was putting all that weight behind the proposal. I am sure that this was at least part of the reason why the measure was adopted.

Sincerely,

Sister Regina
