[REDACTED]

Dear Mr. Rogers:

Please be advised that this office represents [REDACTED], [REDACTED], Massachusetts in regard to a claim against Father Joseph Bermingham who in August, 1985 was assigned to [REDACTED], [REDACTED], Massachusetts.

It is my understanding from conversations with Mr. [REDACTED] and others, that while Mr. [REDACTED] was employed as a student aid at the [REDACTED] that he was molested by Father Bermingham.

It is further my understanding that a report of this molestation was made to Bishop John Mulcahy in Lynn who performed an independent investigation, which confirmed the molestation of Mr. [REDACTED].

At the direction of Bishop John Mulcahy, Mr. [REDACTED] was taken to see an individual (whom we believe to be a psychologist) in Maine for a one hour counseling session.

No further treatment or counseling was rendered to Mr. [REDACTED] nor was the offense reported to either the Department of Social Services or the Essex County District Attorney.
